

Jiajun Li

kumori0488@outlook.com | +86 18028050488 | Guangzhou, China

Education

Sun Yat-sen University <i>B.Sc. in Statistics, School of Mathematics</i>	Sep 2023 – Present GPA: 3.8/4.0
--	------------------------------------

- *Relevant Courses:* Stochastic Processes, Applied Regression Analysis, Nonparametric Statistics, Multivariate Statistical Analysis, Advanced Probability Theory

Research Interests

Artificial intelligence, Computer vision, Embodied intelligence, Embedded ML/LLM Systems

Research and Project Experience

National Innovation Program (National Level) <i>Highway Accident Analysis and Control Technology Based on Multivariate Big Data</i>	Sep 2024 – Present
---	--------------------

- Conducted multi-source traffic data collection and cleaning from heterogeneous datasets; data modeling and statistical analysis are currently underway.
- Contributing to the project manuscript and the development of a risk assessment framework.

Work Experience

Baidu International Technology (Shenzhen) Co., Ltd. <i>Intern, Transportation Business Group</i>	Jul 2025 – Oct 2025
--	---------------------

- Assisted in developing prompt strategies for an intelligent in-vehicle travel agent and participated in effect comparison and selection of optimal solutions.
- Learned and practiced web scraping techniques; assisted team members in extracting and structuring data from static web pages.
- Studied mainstream Agent frameworks.

X Square Robot (Shenzhen) Co., Ltd. <i>Solutions Specialist Intern, Government Business Division</i>	Jul 2026 – Present
--	--------------------

- Assisted in designing AI solutions for government projects and supported technical communication with stakeholders.
- Studied the company's model development roadmap and technical architecture across multiple product iterations.
- Conducted market research and competitive analysis to support product positioning and solution customization.

Honors and Awards

-
- **Second Prize (Provincial)**, China Undergraduate Mathematical Contest in Modeling (CUMCM) 2025
 - **Third Prize (Provincial)**, Chinese Mathematical Olympiad (CMC) – Mathematics Category 2025
 - **Academic Excellence Scholarship**, Sun Yat-sen University (multiple times) 2024–2026

Campus Leadership and Service

Student Union, School of Mathematics

Sep 2024 – Jul 2025

Presidium Member

- Organized multiple large-scale events (avg. 200+ participants) and led the college's volunteer service program.

Skills

- **Programming:** C++, Python, R, MATLAB
- **Data Science:** Web Scraping, Statistical Modeling, Data Visualization
- **Languages:** English (CET-4 578, CET-6 466, IELTS 6.0)
